Instructions – MVT 41-1

1. Individual completing MVT 41-1 must verify Vehicle Identification Number (V.I.N.) and other vehicle information using information obtained from the outstanding certificate of title and the vehicle being reported as salvage. If a discrepancy in the V.I.N. is found the current titled owner must obtain a corrected certificate of title prior to the submission of the MVT 41-1.

2. Owner information area must be completed using the name of the individual or company that is obtaining the salvage certificate of title. Individuals should be listed last name first. The owner's resident address must be listed if the address is different from the mailing address. **Note: A Post Office Box is not considered a resident address.**

3. Lienholder information should be completed only when there is an outstanding lien on the vehicle. If a lien recorded on the outstanding certificate of title has been satisfied, a lien release must be provided, unless released on the certificate of title in the space provided.

4. Owner's authorization for special mailing section may be completed only when there are no outstanding liens on the vehicle.

5. When the owner (individual or company) making application for a salvage certificate of title is either uninsured or self-insured, **SECTION A of the MVT 41-1 must be completed and signed by the applicant.**

6. When an insurance company has declared the vehicle to be a total loss, and paid compensation to the owner, **SECTION B must be completed and signed by an authorized representative of the insurance company.** The authorized representative must disclose whether the insurance company is making application for a salvage certificate of title, or the owner is retaining the salvage on the vehicle, **by marking the appropriate block in SECTION B and completing the OWNER INFORMATION accordingly.**

7. Outstanding certificate of title for the vehicle must be provided with the MVT 41-1. If the vehicle is being transferred to an insurance company as a result of a total loss the titled owner must properly assign the vehicle to the insurance company.

8. A vehicle which is declared junk or sold for parts only can not be rebuilt or retitled in Alabama.
